→ Food Visitation is approved for inmates who have earned Phase II and Phase III. Inmates in Phase I are not authorized food visits and inmates in Phase II are only authorized those food visits specified by Department Order 809, Earned Incentive Program.

Due to space limitations, food visitation will be on the "first in, first out" basis. Each visitor that arrives before 1200 hours will be authorized a minimum four [4] hour visit. If the visitation area reaches seating capacity, we will first ask for volunteers to leave and then require those who have visited four [4] hours ("first in") to leave. This will ensure all eligible inmates are allowed the opportunity to participate in the food visit.
